The Hon Christine Loh  
Chairman of LegCo Panel on  
Environmental Affairs  
Legislative Council Building  
8 Jackson Road  
Central  
Hong Kong

Dear Ms Loh,

**Motor Vehicle Maintenance Manuals**

The Financial Secretary has asked me to thank you for your letter of 15 November and to reply on his behalf.

The Administration is in discussion with the LegCo Panels on Environmental Affairs and Transport on the issue of vehicle maintenance. To follow up the Panels' suggestion, the Financial Secretary has asked Bureaux concerned to look into the question of making maintenance manuals available to the vehicle maintenance trade, and submit the outcome of the deliberations to the Competition Policy Advisory Group. After consideration by COMPAG, we shall give the Panels a fuller response.

Yours sincerely,

(Philip Yung)  
Administrative Assistant to  
Financial Secretary
