Mr Lau Chin-shek Chairman Panel on Manpower Legislative Council 8 Jackson Road Hong Kong

Dear Sir,

Restrictions on Driving Duties by Foreign Domestic Helpers

At the joint meeting of the Panels on Manpower and Security on December 1999, you requested the Administration to issue letters to Executive Council Members, Legislative Council Members and senior government officials reminding them of the restrictions on driving duties by foreign dome stic helpers.

When consulted bv Education and Manpower Bureau, the Security Bureau is of the view that the minutes of meeting do not record that the Administration has agreed to issue the letters, the Administration has in fact not indicated agreement to do Since wide publicity has already been SO. given to the restrictions and the new arrangement for individual employers apply to exceptional permission, the Security Bureau sees no need to give further It would be quite inappropriate to single out certain specific notices. for classes of people special notification applies to all foreign domestic helpers and as the new policy employers. The Security Bureau sees no special reasons for Immigration Dep artment to deviate from existing normal practices. A reminder in the form of a press release will be issued in due course.

Yours faithfully,

(K.K. Lam) for Secretary for Education and Manpower
