Sibutramine; its salts

Telmisartan; its salts

Zanamivir; its salts".

Margaret CHAN

Chairman,

Pharmacy and Poisons Board

4 January 2000

Explanatory Note

This Regulation updates the First and Third Schedules to the Pharmacy and Poisons Regulations (Cap. 138 sub. leg.) which update includes---

- (a) relaxing control over Aciclovir and its salts when they are contained in cold sore treatment creams of not more than 3 grams in package size; and
- (b) adding a number of new substances.
