Explanatory Note

This Regulation amends the Security and Guarding Services (Fees) Regulation (Cap. 460 sub. leg.) ("principal Regulation"). Firstly, it repeals provisions that relate to payment of licence fees by instalment in the principal Regulation. This reflects the change made by the Security and Guarding Services (Amendment) Ordinance 2000 (25

of 2000) in replacing the existing licence fee (being one fee payable by annual instalments) by an annual fee. Secondly, it prescribes the fees payable---

- (a) for an application for the issue of a permit and for its issue;
- (b) for an application for the renewal of a permit and for its renewal;
- (c) for an application for the issue of a licence;
- (d) for an application for the renewal of a licence;
- (e) annual fee of a licence issued or renewed;
- (f) for the replacement of a permit or a licence.
