

L. N. 209 of 1999

Public Health (Animals and Birds)

(Disease) Declaration

(Made under the definition of "disease" in section 2(1)

of the Public Health (Animals and

Birds) Ordinance (Cap. 139))

1. Declaration of disease

The Nipah virus infection and the Hendra virus infection are declared as included in the term disease for the purposes of the Ordinance or any regulation made thereunder.

Lessie WEI

Director of Agriculture

and Fisheries

23 July 1999

Explanatory Note

This Declaration declares that the Nipah virus infection and the Hendra virus infection are included in the definition of "disease" in section 2(1) of the Public Health (Animals and Birds) Ordinance (Cap. 139).
