Explanatory Note

These Rules supplement the provisions of the Mandatory Provident Fund Schemes Ordinance (Cap. 485) ("the principal Ordinance") for the purposes of supporting its

full operation when the whole Ordinance comes into force later this year.

2. Section 3 provides for the calculation of the total amount of accrued benefits vested in a member of a registered scheme from time to time for the purposes of section 12(3) of the principal Ordinance. It also creates an offence for an approved trustee who fails to ensure that the accrued benefits of a scheme member are calculated in accordance with that section.

3. Sections 4 and 5 set out the information and documents required to be submitted to the Mandatory Provident Fund Schemes Authority on an application for its consent to the merger and division of registered schemes under sections 34B and 34C of the principal Ordinance respectively.
