The New Edition of the Ordinances

The Attorney-General moved the following resolution:— "Resolved that in accordance with the requirements of Section 10 (2.) of the Statute Laws (Revised Edition) Ordinance, 1900, the 'New Edition' of the Hongkong Ordinances prepared by Sir John Carrington and now laid before the Council, is approved." He said—

This resolution is necessary in order to obtain the sanction of the Council to the circulation of the revised edition of the laws of Hongkong compiled by the late Chief Justice Sir John Carrington. The books are already in the Colony for distribution.

The Colonial Secretary seconded, and the motion was agreed to.

Questions by the Hon. Gershom Stewart.

Hon. Gershom Stewart asked the following questions:

1. The open space in front of the Hongkong Club being no longer used for the storage of cement blocks, and the small railway to the Praya for the crane having been picked up, will the Government be able soon to allow the Botanical Department to open up the space for public use as a garden, as promised by Sir Henry Blake on 20th July, 1903?

2. Will it be possible this year, by dredging or otherwise, to increase the space available for small craft in the typhoon shelter at Causeway Bay, as it is much silted up at low water? Have the Government decided on any plan for a new typhoon shelter?

3. In view of the recent fire at the Ferry Wharf, will the Government take into consideration the advisability of making improved approaches and shelters at Blake Pier and Queen's Statue Wharf?

The Colonial Secretary answered as follows:

1. The only recommendation that has been made in this matter is that sites on the East of the Statue of H. M. the Queen corresponding to the areas reserved by the Hongkong and Shanghai Bank on the West side of the Statue should be set apart for Statues of H. M. the King and H.R.H. the Duke of Connaught. No recommendation was made to the Secretary of State by Sir Henry Blake for the reservation of the space between the site for the Statue of H. M. the King and the Hongkong Club.

2. No. It is impossible to increase the area of accommodation by dredging owing to the hard bottom of the Southern portion of the refuge. Several schemes for a new refuge have been prepared and are being considered.

The Queen's Statue Pier is a temporary erection and is therefore properly served by a temporary shed. It is intended to put up a permanent shed at Blake Pier when funds become available. Fires are not so frequent or disastrous as to cause anxiety in this connection.

Questions by the Hon. H. E. Pollock.

In the absence of Hon. Mr. Pollock, Hon. Mr. She Wan put the following questions:

2. No. It is impossible to increase the area of accommodation by dredging owing to the hard bottom of the Southern portion of the refuge. Several schemes for a new refuge have been prepared and are being considered.

The Queen's Statue Pier is a temporary erection and is therefore properly served by a temporary shed. It is intended to put up a permanent shed at Blake Pier when funds become available. Fires are not so frequent or disastrous as to cause anxiety in this connection.
1. In connection with the burning of the Star Ferry matshed, will the Government kindly state how many minutes (approximately) after the commencement of the fire was the water from the mains turned on to and playing on the fire?

2. Will the Government state what is the estimated cost of establishing a system of electric fire-alarms in the City of Victoria? Does the Government propose to establish such a system? Is it the fact that at the present time the alarm has to be given by a Police Officer who has to leave his beat for that purpose? If so, does the Government consider such a system of giving the alarm satisfactory? If the Government does not consider such a system of giving the alarm satisfactory, what steps does the Government propose to take in connection with the matter?

The COLONIAL SECRETARY answered as follows:—

1. About 15 minutes.
2. The cost would be large but an estimate cannot be given till the system to be adopted be decided on. The question is now under consideration. Experiments have already been made with telephonic fire alarms. The results have been very discouraging, the native population never having been known to use them. It is not the fact as implied in the question that an alarm can only be given by a Police Officer who has to leave his beat for the purpose. Look-outs are kept for the purpose of giving alarm and the Police on duty on the street make free use of Government and private telephones for the purpose.

SUPPLEMENTARY VOTES

The ATTORNEY-GENERAL moved the first reading of a Bill entitled an Ordinance to amend the Criminal Procedure Ordinance, 1899.

The COLONIAL SECRETARY seconded, and the motion was agreed to.

THE DES VOEUX ROAD MURDER.

The following correspondence was laid on the table at the meeting of the Legislative Council yesterday:

I.

(From Governor Sir Henry Blake to the Secretary of State.)

Government House,
Hongkong, 18th June, 1903.

SIR,—With reference to my despatch of 30th April, I have the honour to transmit a copy of Memorandum giving an epitome of the information and evidence in the possession of the Government. There is reason to believe that
Hung Tsun Kwei was a prominent member of the conspiracy of which the Chinese Authorities received the first intimation from this Government. This man left Hongkong on the 31st March. A reward had been offered for his capture, dead or alive, and for the purpose of obtaining this reward a Cantonese bad character named Cheung Cho Ting appears to have conceived the crime of enticing to Hongkong a friend in Canton, who bore a likeness to Hung Tsun Kwei the conspirator, and there murdering him and returning the body to Canton as that of Hung Tsun Kwei and claiming the reward. Memorandum shows the manner in which this scheme was carried out. The action of the Chinese gunboat leaves no doubt that by some authority the gunboat was engaged on the service of conveying a kidnapped prisoner, or a murdered body from Hongkong, and there is evidence of the direct complicity of Admiral Ho in the violation of British territory. —I have, &c.,

HENRY A. BLAKE,
Governor, &c.

II.
(From the Officer Administering the Government to His Majesty's Minister, Peking.)

Government House,
Hongkong, 20th April, 1904.

Sir,—With reference to Your Excellency's letter of the 1st of January and to previous correspondence, I have the honour to inform you that the murderer of the victim whose body was substituted for that of Hung Tsun-fuk has been duly brought to trial at Canton.

2. His Majesty's Consul-General there has communicated to me a memorandum of conditions of settlement of this case signed by the Viceroy's Foreign Secretary and himself, and I have the honour to inform Your Excellency that these terms are acceptable to this Government.—I have, &c.,

F. H. MAY,
Officer Administering the Government.

III.
(From His Majesty's Acting Consul-General, Canton, to the Acting Colonial Secretary.)

His Majesty's Consulate-General,
Canton, 5th May, 1904.

Sir,—With reference to my Despatch No. 120 of April 18th on the Hung Tsun-fuk case, I have the honour to inform you that Chang Cho-Ting was executed yesterday in the presence of two members of the Staff of this Consulate-General. I enclose a copy of Mr. Vice-Consul Giles' report on the subject.

I also enclose a translation of a Despatch received from the Viceroy, in which His Excellency apologises for the infringement of Hongkong territory, and thanks the Hongkong Government for the assistance given in the investigation of the whole case.—I have, &c.,

C. W. CAMPBELL,
Acting Consul-General.

(Enclosure to No. 138 of the 5th May, 1904.
From Mr. B. Giles to Mr. C. W. Campbell, C.M.G.)

His Majesty's Consulate-General,
Canton, 4th May, 1904.

Sir,—With reference to the case of the murder of Hung Tsun-fuk by Chang Cho-ting in Hongkong, I have the honour to report that, in accordance with your instructions, I proceeded this afternoon to the execution ground to be present at the execution of Chang Cho-ting by the Native Authorities. On arriving at the place Mr. Major, who accompanied me, identified the criminal, who was then immediately beheaded in our presence.—I have, &c.,

BERTRAM GILES,
Vice-Consul.

IV.
(From the Acting Colonial Secretary to His Majesty's Acting Consul-General, Canton.)

Colonial Secretary's Office,
Hongkong, 10th May, 1904.

Sir,—I am directed to acknowledge the receipt of your letter No 138 of the 5th instant in which you state that Chang Cho-ting was executed on the 4th inst., and enclosing a translation of a letter from the Viceroy of the Two Kwangs, in which he apologises for the violation of British Sovereignty committed at the instigation of Chinese Officials in connection with the case of Hung Tsun-fuk. I am to request you to be so good as to inform the Viceroy that this Government accepts his expressions of regret at the circumstance. His Excellency the Officer Administering the Government felt satisfied that when the facts were made known to His Excellency the Viceroy, he would use every effort to bring the offenders to justice, and expects in due course to receive an assurance that the other persons implicated in the outrage have also undergone suitable punishment.—I have, &c.,

A. M. THOMSON,
Acting Colonial Secretary.

V.
(From His Majesty's Acting Consul-General, Canton, to the Acting Colonial Secretary.)

His Majesty's Consulate-General,
Canton, 27th May, 1904.

Sir,—With reference to your letter of May 10th, the contents of which I communicated to the Viceroy as requested, I have the honour to enclose, for the information of His Excellency the Officer Administering the Government of Hongkong, a copy and translation of a Despatch received yesterday. The Imperial Decree...
therein enclosed appears to me to be satisfactory, and I propose to inform the Viceroy that as soon as I receive His Excellency's assurance that the punishments stated have been carried out the Hung Tsun-fuk case will be considered closed.—I have, &c.,

C. W. CAMPBELL,
Acting Consul-General.

(Enclosure to No. 157 of the 27th May, 1904. Translation of a Despatch from Viceroy Ts'en to Mr. Campbell.)

Sir,—With reference to the Hung Tsun-Fuk case, I have the honour to acknowledge receipt of your Despatch of the 5th instant stating that you had communicated the contents of my Despatch on the subject to the Government of Hongkong, who had replied that when all the terms of settlement mentioned in the Imperial Edict had been duly carried out, the case might then be considered as definitely closed.

I was on the point of drafting a reply to you, when a communication on the subject came to hand from the Wai Wu Pu. The Wai Wu Pu therein informed me that, having received from the Grand Council a copy of the Imperial Edict issued in answer to the memorial presented by me detailing the circumstances of the case and asking for the punishment of those implicated, they forwarded the same, together with a copy of my original memorial to the British Minister, who had expressed his acknowledgments for such a very satisfactory settlement.

When the Imperial Edict above referred to was telegraphed to me, I immediately sent copies to the various officials concerned for their guidance, as well as one to you for your information. Since then Admiral Ho Chan-ching has been removed from his post; and the vacancies caused by the dismissal of the other officials implicated have been filled by temporary substitutes. The terms of settlement have thus been carried out in full; and I would therefore ask you to inform the Governor of Hongkong accordingly.—I have, &c.,

(Viceroy's Seal.)

Copy of Imperial Edict.

With reference to the Memorial of Viceroy Ts'en, praying for the punishment of the spy who compassed the death of the man he had deceived, thereby violating the territory of Hongkong and received a reward under false pretences; and that of the officials who had been implicated in the affair should be dealt with, each according to his deserts. On the 17th of May last I received an Imperial Edict, copy of which I herewith transmit for your information.—I have, &c.,

(Viceroy's Seal.)

VI.

(From His Majesty's Acting Consul-General, Canton, to the Acting Colonial Secretary.)

Sir,—With reference to my letter No. 157 of May 27th, I have the honour to enclose a copy and translation of a Despatch from the Viceroy, in which His Excellency states that Admiral Ho has been removed, and that the minor officials concerned in the Hung Tsun-fuk case have been dismissed. I have informed the Viceroy that the case may now be considered closed.—I have, &c,

C. M. CAMPBELL,
Acting Consul-General.

(Enclosure to No. 185 of the 20th June, 1904. From Viceroy Ts'en to Mr. Campbell).

Translation.

16th June, 1904.

Sir,—With reference to the Hung Tsun-Fuk case, I have the honour to acknowledge receipt of your Despatch of the 5th instant stating that you had communicated the contents of my Despatch on the subject to the Government of Hongkong, who had replied that when all the terms of settlement mentioned in the Imperial Edict had been duly carried out, the case might then be considered as definitely closed.

On behalf of this Government, I am to thank you for the valuable assistance rendered by you in connection with this case.—I have, &c.,

A. M. THOMSON,
Act. Colonial Secretary.
