

## Role-play on the passage of a mock bill

### Liquor Advertisements Bill

#### **First Reading**

<b>Role</b>	<b>Script</b>
<b>PRESIDENT OF THE LEGISLATIVE COUNCIL</b>	: Bill: First Reading.
<b>CLERK TO THE LEGISLATIVE COUNCIL</b>	: <i>(Stands up)</i> Liquor Advertisements Bill. <i>(Sits down)</i>

#### **Second Reading**

<b>Role</b>	<b>Script</b>
<b>PRESIDENT OF THE LEGISLATIVE COUNCIL</b>	: Second Reading. Secretary for Health.
<b>SECRETARY FOR HEALTH</b>	: <i>(Stands up)</i> President, I move the Second Reading of the Liquor Advertisements Bill. The Bill seeks to strengthen restrictions on the publication of advertisements of alcoholic beverages. An international organization has pointed out that enforcing bans on liquor advertisements is an effective way to reduce the harmful effects of alcohol. Hong Kong has already put in place a set of guidelines to restrict television and radio broadcasts of liquor advertisements during the family viewing hours from 4:00 pm to 8:30 pm. However, with the rapid development of new media and the Internet, and in order to promote healthy living, we must impose further restrictions on marketing channels for promoting liquors ... <i>(Student may come up with more points of his/her own)</i> Therefore, I urge Members to support the Bill. <i>(Sits down)</i>

<b>Role</b>	<b>Script</b>
<b>PRESIDENT OF THE LEGISLATIVE COUNCIL</b>	<p>: I now propose the question to you: That the Liquor Advertisements Bill be read the second time.</p> <p><i>(Second Reading debate to continue without adjournment)</i><sup>1</sup></p> <p>Does any Member wish to speak?</p> <p><i>(The student acting as LegCo Member 1 – Geographical Constituency raises his/her hand)</i></p> <p><u>Hon _____</u> (Name of the student acting as LegCo Member 1 – Geographical Constituency)</p>
<b>HON (LegCo Member 1 – Geographical Constituency)</b>	<p>: <i>(Stands up)</i></p> <p>Thank you, President. Alcohol consumption can cause a range of illnesses, including liver disease and heart disease. Alcohol poisoning caused by excessive drinking could also be life-threatening. Imposing restrictions on the channels for the publication of liquor advertisements can reduce the chances of marketing and advertising liquor products, thereby promoting the development of an alcohol-free and healthy lifestyle, reducing the risk of people suffering from alcohol-related diseases, and making people’s lives healthier ... <i>(Student may express more views freely)</i> Therefore, I support the Liquor Advertisements Bill.</p> <p><i>(Sits down)</i></p> <p><i>(The student acting as LegCo Member 2 – Election Committee raises his/her hand)</i></p>
<b>PRESIDENT OF THE LEGISLATIVE COUNCIL</b>	<p>: <u>Hon _____</u> (Name of the student acting as LegCo Member 2 – Election Committee)</p>

<sup>1</sup> The proceedings have been simplified for the purposes of the role-play. For real Council meetings, after the motion for the Second Reading of a bill has been moved, the debate on the bill is adjourned, with the bill being referred to the House Committee for scrutiny.

<b>Role</b>	<b>Script</b>
<b>HON (LegCo Member 2 – Election Committee)</b>	<p><i>(Stands up)</i></p> <p>Thank you, President. As the business of small local shops is already under threat from chain stores, the decrease in consumption expenditure on liquor will unavoidably deal a further blow to their income. Furthermore, drinking behaviour is often influenced by peers and family members. For adolescents, having parents who drink at home or actively attempt to train their children to develop alcohol tolerance will likely spark their curiosity about alcohol. Enforcing restrictions on alcohol advertising will serve little real purpose ... <i>(Student may express more views freely)</i> Therefore, I oppose the Liquor Advertisements Bill.</p> <p><i>(Sits down)</i></p>

*(The student acting as LegCo Member 3 – Medical and Health Services Functional Constituency raises his/her hand)*

**PRESIDENT OF THE LEGISLATIVE COUNCIL** : Hon \_\_\_\_\_ (Name of the student acting as LegCo Member 3 – Medical and Health Services Functional Constituency)

<b>HON (LegCo Member 3 – Medical and Health Services Functional Constituency)</b>	<p><i>(Stands up)</i></p> <p>Thank you, President. Exposure to alcohol in adolescence affects brain development, which may impair memory and self-control. In addition, nutritional analysis reveals that drinking alcohol can lead to weight gain, and alcohol contains empty calories with no nutrition value which can interfere with the absorption of various vitamins. Many countries have enacted legislation to impose restrictions on alcohol advertising. Among them, Finland has seen a downward trend in spending on alcohol thanks to such restrictions. This is a remarkable result ... <i>(Student may express more views freely)</i> Therefore, I support the Liquor Advertisements Bill.</p> <p><i>(Sits down)</i></p>

<b>Role</b>	<b>Script</b>
<b>PRESIDENT OF THE LEGISLATIVE COUNCIL</b>	: <u>Hon _____</u> (Name of the student acting as LegCo Member 4 – Catering Functional Constituency)

**HON (LegCo Member 4 – Catering Functional Constituency)** : *(Stands up)*  
Thank you, President. Hong Kong is the first free wine port among major economies. The Government is committed to promoting wine-related businesses. The promotion events held every year are teeming with people as the wine culture takes root in Hong Kong. Now the Government's turn to legislation to impose restrictions on alcohol advertising is contradictory to its previous stance, depriving the industry of its rights and interests, and confusing for all parties concerned ... *(Student may express more views freely)* Therefore, I oppose the Liquor Advertisements Bill.  
*(Sits down)*

*(The student acting as LegCo Member 5 – Election Committee raises his/her hand)*

<b>PRESIDENT OF THE LEGISLATIVE COUNCIL</b>	: <u>Hon _____</u> (Name of the student acting as LegCo Member 5 – Election Committee)
---	--

**HON (LegCo Member 5 – Election Committee)** : *(Stands up)*  
Thank you, President. With the progress of the times, young people can obtain all kinds of information on the Internet, and it is easy for them to be negatively influenced with wrong values and misled into thinking that drinking alcohol can help broaden their social circles and is a prerequisite for successful people. They may overlook the harmful effects of drinking and the social problems, such as family violence, created by alcoholism. The current guidelines which only impose restrictions on the broadcast of liquor advertisements on television and radio have become outdated ... *(Student may express more views freely)* Therefore, I support the Liquor Advertisements Bill.  
*(Sits down)*

(If no Member indicates a wish to speak)</p> <p>If not, I now call upon the Secretary for Health to reply. Then, the debate will come to a close. Secretary for Health.</p>
<b>SECRETARY FOR HEALTH</b>	<p>: <i>(Stands up)</i> President. I understand that Members are concerned about the challenging conditions that some industries may face. However, the purpose of the restrictions on alcohol advertising is to more effectively reduce the desire to drink alcohol, especially among young people, so as to encourage people to lead a healthy lifestyle. I urge all Members to support the Bill. <i>(Sits down)</i></p>
<b>PRESIDENT OF THE LEGISLATIVE COUNCIL</b>	<p>: I now put the question to you: That the Liquor Advertisements Bill be read the second time.</p> <p>Will those in favour please raise their hands? <i>(The Clerk counts the votes)</i></p>

<b>CLERK TO THE LEGISLATIVE COUNCIL</b>	: <i>(Stands up)</i> Liquor Advertisements Bill. <i>(Sits down)</i>	<i>(If the motion is negatived, no further proceedings shall be taken on the Bill)</i>
