

#01 Visit to the Legislative Council

Author:

Date of release:

Today I have come to visit the Legislative Council (“LegCo”) Complex. I have learnt that [#LegCo Members](#) come from different sectors of the community. They exchange views with one another and voice out the opinions of the public. LegCo performs three major functions, including _____,

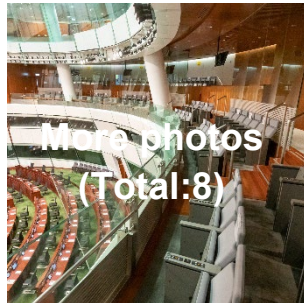

_____, and _____.

[#Members’ work](#) also covers many aspects, such as attending [#Council meetings](#), participating in local site visits,

_____.

I have also found that as a Hong Kong citizen, I can more actively participate in and gain a better understanding of LegCo business through:

- participating in the education programmes organized by the LegCo Secretariat
- _____
- _____
- _____
- _____

#02 Current affairs

Author:

Date of release:

The previous article mentions my visit to LegCo. What I learnt in the visit is very helpful for me to complete my assignment of an analysis of current affairs.

The [#current affairs](#) I am most interested in right now is: _____

After making reference to the papers for the meetings of LegCo and its committees online (<https://www.legco.gov.hk>), I have summed up the supporting and opposing views of different constituencies as follows:

Position	Constituency	Viewpoint and justification
Supporting		
Opposing		

My views on this current affairs are:

Hot current affairs
