All Hon Members of the Legislative Council

Dear Members,

I express my utmost disappointment at the behaviours of three Members in the Chamber following my order of their immediate withdrawal from the Council at the Council Meeting today. I consider such behaviours inside the Chamber, including the throwing of objects, swiping away objects placed on Members' desks and obstructing the Clerk and her assistants in carrying out their duties, totally unacceptable and should be censured.

I call upon Members of the Council to uphold the dignity of the Council and respect all persons who attend Council meetings.

(Jasper Tsang Yok Sing)  
President
