**Conduct of remote meetings**

We are at a critical moment in the fight against the COVID epidemic. Stabilizing the situation as soon as possible is an overriding mission for the whole Hong Kong Special Administrative Region.

2. With the support of The Legislative Council Commission, special arrangements have been made for meetings of the Legislative Council (“LegCo”) and its committees to be conducted wholly remotely when needed, starting from 24 February 2022 until the easing of the epidemic.

3. Accordingly, the President and chairmen of committees, along with clerks and technical support staff, will no longer host the remote meetings at a physical location at the LegCo Complex. To enable the conduct of such meetings wholly remotely as described, the President has exercised his power under section 27(2) of the Legislative Council (Powers and Privileges) Ordinance (Cap. 382) to designate the unique electronic addresses assigned by the Zoom video conference platform as the places for conducting Council and committee meetings.
