The minutes of the meeting on 2 April 2001 were confirmed.

# II. Meeting with the Administration

(LC Paper No. CB(2)2382/00-01(01))

- 2. The Committee deliberated (index of proceedings attached at **Annex A**).
- 3. The Administration was requested to provide further information on the following to facilitate the work of the Committee -
  - (a) Under clause 5(3)(b) and (6), the licensing authority might take into account the views of persons whose place of residence or employment was in the immediate vicinity of the place of the proposed operation in considering an application for a licence/permit for operating a karaoke establishment. The Administration was requested to advise the following -
    - (i) why was it necessary for the licensing authority to consider the suitability of the premises and the area for operating a karaoke establishment if the applicant had already been granted a liquor licence for the same premises;
    - (ii) whether other licensing authorities would take into account the same factors in considering an application for a licence for operation and if so to provide the relevant regulations and guidelines for members' reference;
    - (iii) what objective criteria would be adopted by the licensing authority in considering views of persons given under clause 5(6), bearing in mind that common grounds for objection such as fighting or urinating in public place were more related to the operation of the premises, and not the suitability of the premises and the area;
  - (b) whether the time taken by the licensing authority to advise a person applying for renewal of a licence/permit of its decision could be shortened; and
  - (c) whether a karaoke establishment with a liquor licence was allowed to continue operation if its application for renewal of a karaoke establishment licence/permit was rejected.
