I. Meeting with the Administration

The Bills Committee deliberated (Index of proceedings at the **Annex**).

2. At the request of the Bills Committee, the Administration gave an undertaking that it would not bring the Bill into operation without first obtaining the support from a great majority of members of the Panel on Security.

3. Having regard to the Administration's undertaking mentioned in paragraph 2 above, Mr James TO did not insist on subjecting the commencement date of the Bill to resolution of the Legislative Council (LegCo). He, however, stressed that this should not be taken to mean that subjecting the commencement date of the Bill to resolution of LegCo was unsound from a legal point of view or as a matter of principle.

4. The Bills Committee agreed not to propose amendment to subject the commencement date of the Bill to resolution of LegCo.

5. The Administration agreed to amend the proposed new section 5(11) to clearly reflect the policy intent that only the relevant enforcement authority could refer a case to the advisory committee mentioned in clause 5(10) for advice.
6. Members agreed that a report be made to the House Committee on 21 June 2002 recommending that the Second Reading debate on the Bill be resumed on 3 July 2002, subject to the amendment mentioned in paragraph 5 above was adopted.
7. There being no other business, the meeting ended at 10:05 am.
