Dear Mrs CHOW,

**Following up the issue relating to the declaration of interests
by Members of the Legislative Council (LegCo)**

Subsequent to the “Gary CHENG incident”, the community is particularly concerned that LegCo Members may have conflict of interests. This issue has also affected the reputation of this Council to a certain extent. Hence it is hoped that the House Committee will discuss how the issue relating to the declaration of interests by LegCo Members should be followed up.

I hereby propose that this item be added to the agenda.

With regards,

CHENG Mo-ching,
Research Officer of Secretariat of Legislative
Councillors of the Democratic Party

for Hon LAW Chi-kwong,
LegCo Member of the Democratic Party
