Dear Mrs Li,

**Subcommittee to follow up the outstanding
capital works projects of the former Municipal Councils**

Matters arising from the meeting on 7 December 2000

At the meeting on 7 December 2000, the Administration undertook to consult District Councils on the relative priority of the capital works projects planned for their respective districts. We began consultation on 19 January 2001 and expect to complete this exercise by the end of March. The schedule of the relevant District Council meetings is enclosed for your reference.

As a detailed report on the views of the District Councils will not be available until early April, we will not have anything substantial to report in this regard at Subcommittee meeting scheduled for 8 February 2001.

Yours sincerely,

(Jonathan McKinley)
for Secretary for Home Affairs
