Legislative Council  
Room 509, West Wing,

Dear Mrs. Chow,

**RE: Telecommunications (Amendment) Bill 2002**

Further to the recent publication of proposed amendments to the Telecommunication Ordinance, New World PCS Limited ("New World Mobility") would like to be given the opportunity to make representations to the Bills Committee on the proposed amendments.

The object of the amendment is of great interest to New World Mobility and the telecommunications industry in general and it would be worthwhile for legislators to hear directly the concerns of the industry on the proposed amendment.

Regards,

Francois Gaudet  
Vice President, Legal Affairs and  
Company Secretary  
New World PCS Limited
