II. Meeting with the Administration
(LC Paper No. CB(2)476/02-03(01))

2. The Bills Committee deliberated (Index of proceedings at **Annex**).

3. The Administration was requested to provide a written response to the following issues raised by members at the meeting -

(a) Surcharge ceiling should be 100% of the amount of the maintenance arrears; and

(b) The court should be given the power to impose a surcharge on maintenance arrears even though the maintenance payer failed to appear before the court, so long as the summons had been served on the payer.

4. The Administration was also requested to provide the draft Committee Stage amendments to deem arrears of maintenance as judgment debts and to provide the

court with discretion to impose a surcharge on maintenance arrears on application from a maintenance payee.

5. The Chairman said that an informal meeting with the Steering Committee on the Pilot Scheme for the Reform of Ancillary Relief Procedures in Matrimonial Proceedings had been scheduled for 13 December 2002 to brief Members on the amendments to Matrimonial Causes Rules. Members might wish to raise with the Steering Committee on ways to address deliberate evasion of the service of summons by the maintenance payers then. She would instruct the Clerk to the Panel on Administration of Justice and Legal Services to issue a circular inviting Members to forward their views on the subject if they could not attend the informal briefing.
