Action

I Confirmation of minutes

(LC Paper No. CB(1)1983/02-03 - Minutes of meeting held on 2 June 2003)

The minutes of meeting held on 2 June 2003 were confirmed.

II Meeting with deputations/individuals/the Administration

2. The Bills Committee received views from 28 deputations/individual and deliberated (Index of proceedings attached at **Annex A**).

3. In view of time constraint, the Bills Committee agreed that the Administration would be invited to respond to the views and suggestions raised by the deputations/individual at the next meeting to be scheduled. To facilitate members' consideration, the Bills Committee requested the Administration to provide a consolidated written response to such views and suggestions after the meeting.

Admin

4. Taking note of the divergent views of the attending deputations/individual on the proposed 10-year qualifying period for exemption from holding the relevant qualifications for registration as "skilled worker", the Bills Committee requested the Administration to hold further discussion with all the stakeholders of the construction industry with a view to securing a consensus view on the exemption requirement. The Bills Committee would decide on the way forward when the Administration reverted to the Bills Committee on the outcome of such discussion.

III Any other business

5. There being no other business, the meeting ended at 12:55 pm.
