Dear Mr TSANG

Bills Committee on Town Planning (Amendment) Bill 2003

Thank you for your letter of 8 January 2004 inviting the Institution to submit our comments on the Administration's proposed amendments to the plan-making system.

We understand that the proposed amendments to the plan-making system are part of the proposals put forward in the first stage of the amendments to the Town Planning Ordinance and we would like to inform you that the Institution does not have any specific comments on the proposed amendments.

The Institution would be pleased to submit our views, if any, on issues pertaining to engineering practice in later stages of the Bill amendments.

Your attention in this matter is appreciated.

Yours sincerely

Monica YUEN (Mrs)
