Dear Ms Sit,

**Companies (Amendment) Bill 2003 (“the Bill”)**

The Secretary for Financial Services and the Treasury has just written to confirm that they will amend section 305 to extend the purpose statement to cover category of persons other than directors and officers whose personal data are kept for public inspection. In view of the action to be taken, I have no further comment to add.

Thank you for your attention to the above.

Yours sincerely,
