3. The Administration was requested to provide a written response to the following issues/requests raised by members at the meeting -

- (a) To consider improving the drafting of new section 12G(1) along the lines that the magistrate might grant a warrant to any authorised officer to enter the premises named in the warrant and to search for, seize, remove and detain terrorist property, and that the authorised officer may use such force and assistance that was necessary and reasonable for the purpose;
- (b) To consider adding a provision to put it beyond doubt that nothing in the new sections 12A and 12B would affect the protection of the privilege against self-incrimination under section 2(5)(c);
- (c) To confirm that the proposed amended section 3 would not affect the application of extraterritoriality at common law and in other ordinances;
- (d) To consider amending new Part 4A by adopting the model in the Organized and Serious Crimes Ordinance (Cap. 455);
- (e) To illustrate the differences between the bombing offences under new section 11B and existing similar offences in terms of scope, extraterritorial jurisdiction and penalties; and
- (f) To explain what act would constitute "other form of intimidation"

4. The Assistant Legal Adviser suggested the following -
 - (a) S for S should point out in his speech during the resumption of Second Reading debate on the Bill that the word "person" referred to in the Ordinance also meant any public body and any body of persons, corporate or unincorporate, and to clarify the effect of the amendments to new sections 2(8), 12A(10), 12B(7) and 12B(12) and the deletion of the definition of "public body"; and
 - (b) To consider making consequential amendments to the Drug Trafficking (Recovery of Proceeds) Ordinance (Cap. 405) and Cap. 455.
