議員將採用這種語言提出質詢

Member will ask the question in this language

(2) 蔡素玉議員 (口頭答覆)

據報，聯合國警告，假如目前用水的情況不變，到了 2025 年，全球有三分之二人口將會面對食水短缺的威脅。就此，政府可否告知本會：

- (一) 有否估計本港市民每年浪費食水的情況；若有，被浪費的食水數量和按供水單位價格計算的價值為何；
- (二) 是否有計劃鼓勵市民節約用水；若有，詳情為何，以及會否提供經濟誘因作為鼓勵；及
- (三) 是否有計劃推行污水循環再用；若有，推行時間表為何？

(2) Hon CHOY So-yuk (Oral Reply)

It has been reported that the United Nations has warned that two in three persons in the world would face water shortage by the year 2025 if the world continued to consume water at the current rate. In this connection, will the Government inform this Council whether:

- (a) it has assessed the wastage of potable water by Hong Kong people every year; if so, of the quantity of water wasted and its value based on the unit price of water supply;
- (b) it has any plan to encourage water saving by the public; if so, of the details and whether it will offer financial incentives as an encouragement; and
- (c) it has any plan to implement waste water recycling; if so, of the implementation timetable?
