Member will ask the question in this language

#(3) 余若薇議員 (口頭答覆)

據報，優質教育基金在過去兩年投資失利。就此，政府可否告知本會：

- (一) 過去 3 年，該基金在各類投資，例如在銀行存放的現金、股票、債券等的比重，以及每類及整體投資的回報率；
- (二) 當局會否檢討該基金的投資表現，並根據檢討結果調整其投資策略，以減低該基金的風險承擔；及
- (三) 當局有否就該基金的投資策略，特別是可接受的風險承擔水平制定指引；若有，詳情為何；若否，原因為何？

(3) Hon Audrey EU (Oral Reply)

It has been reported that the Quality Education Fund recorded investment losses in the past two years. In this connection, will the Government inform this Council:

- (a) of the weighting of each type of investments, such as cash deposits in banks, stocks and bonds etc., by the Fund in the past three years, and the respective rates of return of each type of investments and of the Fund as a whole;
- (b) whether the relevant authority will review the investment performance of the Fund and adjust its investment strategy in the light of the findings, in order to lower the Fund's risk exposures; and
- (c) whether the relevant authority has formulated guidelines on the Fund's investment strategy, particularly on the acceptable risk exposure level; if so, of the details; if not, the reasons for that?
