* 由於近期煤價波動，燃料折扣可能需要作出調整，以反映2004年度的實際燃料成本，這項調整不會影響公司利潤。港燈會於調整前諮詢政府及向立法會經濟事務委員會解釋。

* In view of the recent volatility in coal prices, Fuel Clause Rebate may be adjusted in order to reflect the actual fuel cost incurred during 2004. Any adjustment will not affect the profit of the Company. HEC will consult Government and brief LegCo Panel on Economic Services before any change is made.
