The Hon. Dr LAW Chi Kwong JP
 Chairman of the Selection Committee
 to inquire into the handling of
 the SARS outbreak by the Govt. + HA.

Dear Dr Law,
 As an ex-employee of the HA, I like to point out that in my experience it is standard practice to keep minutes or records of all meetings, whether 'big' or 'small', scheduled or extraordinary.
 The lack of minutes/records over the critical period of SARS outbreak, according to Dr WM Ko, makes us strongly suspect the competency of HA senior management staff, or perhaps there are other motives.
 I urge you to thoroughly investigate the above issue.

Yours sincerely,

cc. Mr. KF Cheng, UCLCO Member
 Dr WL Lo, Legco Member.
