10 January 2004

Secretary of the Select Committee
Legislative Council
Hong Kong Special Administrative Region
of the People's Republic of China
Legislative Council Building
8 Jackson Road Central
HONG KONG

Dear Sir,

**Select Committee to inquire into the handling of the
Severe Acute Respiratory Syndrome outbreak by the
Government and the Hospital Authority**

I refer to the hearing on 17 January 2004 and would like to submit the following documents to the Select Committee :-

- (a) The database that our colleagues passed to the Department of Health (DH) colleagues stationed in the PWH Disease Control Centre (DCC) every day since the commencement of the Centre. Members may like to know that the "discharge date" is among one of the fields.
- (b) The list of patient movement that our colleagues passed to the DH colleagues stationed in the DCC on 20 March 2003. Members may like to note that our clerk actually made a mistake in labeling the discharge date of the Amoy Garden's index patient as 20 March.

In addition, I would like to clarify a mistake I made during the hearing. The re-opening of the PWH Accident & Emergency Department in fact took place on 6 April 2003 at 9 am. I apologize for making the date wrong during the hearing.

Yours faithfully,

(Dr FUNG Hong)
