**Bills Committee on
Clearing and Settlement Systems Bill**

**Clause-by-Clause Examination –
Proposed Committee Stage Amendments**

At the last meeting held on 14 May 2004, the Bills Committee completed clause-by-clause examination on Parts 1 to 4 of the Clearing and Settlement Systems Bill (English text). In response to the comments from Members and the Legislative Council Assistant Legal Adviser at the meeting, the Administration has proposed two further Committee Stage Amendments (CSAs). These serve –

- (a) to separate the proposed provision on the application of the Bill from clause 2. The new clause is now numbered as clause 2A; and
 - (b) to add the phrase “in addition” in the beginning of clause 5(1)(c) to clarify the application of the subclause.
2. Separately, we have proposed some other minor drafting and technical amendments to clauses 2, 21(2), 21(2)(b), 22(1)(a)(ii), 22(2)(b), 23(1)(b), 27A, 40(1), 46(1)(b), 46, 52(1), 53(2), 56A(1) and (2), in addition to those set out in the marked-up version of the Bill issued for the last meeting. A new marked-up version of the Bill is enclosed at **Annex**. For Members’ easy reference, footnotes for the new CSAs or further adjustments to existing CSAs are marked with the word “NEW” upfront. We will explain these amendments to Members at the meeting on 21 May 2004.
3. The Chinese text of the marked-up version of the Bill will be issued separately.

(3) For the purposes of subsection (1), a clearing and settlement system shall be regarded as a clearing and settlement system whose proper functioning is material to the monetary or financial stability of Hong Kong, or to the functioning of Hong Kong as an international financial centre, if the occurrence of any significant disruption to, or the presence of any significant inefficiency in, the functioning of the system is likely to result in the monetary or financial stability of Hong Kong, or the functioning of Hong Kong as an international financial centre, being adversely affected; and reference in that

subsection to a clearing and settlement system that is likely to become a clearing and settlement system whose proper functioning is material to the monetary or financial stability of Hong Kong, or to the functioning of Hong Kong as an international financial centre, shall be construed accordingly.

(4) Without limiting the effect of subsection (1) or (3), the Monetary Authority may, for the purpose of determining whether a clearing and settlement system is or is likely to become a clearing and settlement system whose proper functioning is material to the monetary or financial stability of Hong Kong, or to the functioning of Hong Kong as an international financial centre, have regard to any one or more of the following factors as they then apply or appear likely to apply –

4. Revocation of designation

(1) The Monetary Authority may at any time, by notice published in the Gazette, revoke the designation of a designated system if –

- (a) he is satisfied that the system is not a clearing and settlement system as is described in section 3(2); or
- (b) the system has ceased to be or to be likely to become, in his opinion, a clearing and settlement system whose proper functioning is material to the monetary or financial stability of Hong Kong, or to the functioning of Hong Kong as an international financial centre, for the purposes of section 3(1).

(2) Not less than 14 days before revoking the designation of a designated system, the Monetary Authority shall by notice published in the Gazette give notice of his intention to revoke the designation and shall specify in the notice the grounds under subsection (1) on which he intends to do so; and any system operator or settlement institution of the designated system who so requests by notice in writing given to the Monetary Authority before the revocation takes effect shall be allowed an opportunity by the Monetary Authority to be heard or to make representations as to why the grounds for revocation specified in the notice given under this subsection have not been made out.

 - (b) the reliability and robustness of operation of the system;
 - (c) control over access to the operations of the system; and

**Division 3 – Functions and powers of Monetary Authority
in respect of designated systems**

8. Functions of Monetary Authority

(1) It shall be the function of the Monetary Authority under this Ordinance to monitor compliance with the obligations imposed under this Ordinance in relation to designated systems, and to promote the general safety and efficiency of designated systems.

(2) Without limiting the generality of subsection (1), it shall be the function of the Monetary Authority –

(3) The Monetary Authority may appoint persons as ~~agents or~~ advisers or consultants¹⁵ to assist him in the performance of his functions under this Ordinance.

9. Power of Monetary Authority to exempt

(1) This section applies to a designated system that is established in a place outside Hong Kong and is under the supervision of an authority exercising functions in that place similar to the functions of the Monetary Authority under this Ordinance.

(2) Where the Monetary Authority is satisfied that the scope and nature of the supervision exercised in relation to any designated system to which this section applies by the authority in the place outside Hong Kong is sufficient to achieve any or all of the objectives of this Part in relation to the system, the Monetary Authority may exempt any person from any or all of the obligations imposed on the person under Divisions 2 and 3

¹⁵ [This amendment is proposed in response to a comment raised by Members at the Bills Committee meeting on 29 April 2004 that the word “agents” may imply that the Monetary Authority may delegate his authority under the Bill to the appointed persons. The amendment seeks to replace the reference to “agents” by reference to “consultants”. ~~(a) shall specify the information requested; and~~

~~(b) may specify a period, being a period that is reasonable in the circumstances, within which the request shall be complied with.~~

(3) For the avoidance of doubt, the power conferred under subsection (1) to request information relating to a designated system includes the power to request such information as the Monetary Authority considers necessary to allow him to determine whether there is or has been compliance with the provisions of this Ordinance in relation to the system and, accordingly, a request made under subsection (1) may specify the giving of information on a periodic basis or at any time and regardless of whether the Monetary Authority has reason to suspect that there is, has been or may be any failure to comply with a provision of this Ordinance as regards the system.

¹⁶ [The proposed amendments to clause 10 seek to improve the clarity of the clause and to allow the Monetary Authority to request information by reference to a particular document.](#)

11. Monetary Authority may give directions

(1) The Monetary Authority may by notice in writing given to a system operator or settlement institution of a designated system direct that person to take such action or do such act or thing as the Monetary Authority considers necessary for bringing the designated system into compliance with the requirements set out in section 6(1)(a), (b), (c) or (d).

(2) A direction given under subsection (1) –

- (b) shall include a statement of the respect in which the Monetary Authority considers the operating rules of the system not to be in compliance with section 6(1)(b); and
- (c) may specify a period, being a period that is reasonable in the circumstances, within which the amendment shall be effected, and may require that within a further period of 3 days a copy of the

relevant part of the operating rules as so amended shall be provided to the Monetary Authority as confirmation of compliance with the direction.

(3) Without affecting the generality of subsection (1), a direction under that subsection to amend a designated system's operating rules may include a direction to amend those rules by –

- (a) adding a rule specified in the direction;
- (b) amending a particular rule in the manner specified in the direction;

PART 3

FINALITY OF TRANSACTIONS AND PROCEEDINGS

Division 1 – Interpretation**13. Interpretation¹⁷**

In this Part, other than section 24, a reference to the law of insolvency shall be construed as a reference to –

- (a) the Bankruptcy Ordinance (Cap. 6);
- (b) Parts V, VI and X of the Companies Ordinance (Cap. 32); and
- (c) any other written law or rule of law ~~whether~~ of Hong Kong ~~or a place outside Hong Kong~~ which is concerned with or in any way related to the bankruptcy, winding up or insolvency of a person.

and, for the purposes of the application (in accordance with the rules of private international law) of the law of a place outside Hong Kong, shall be construed as a reference to any written law or rule of law of the place outside Hong Kong which is concerned with or in any way related to the bankruptcy, winding up or insolvency of a person.

Division 2 – Certificate of finality**14. Monetary Authority may issue certificate of finality**

(1) Where a clearing and settlement system has been designated under Part 2, the Monetary Authority shall determine in accordance with subsection (2) whether the following criteria are met as regards that system, namely –

¹⁷ The amendments are proposed in response to a market comment. They clarify that the reference to laws of a place outside Hong Kong, presently in clause 13(c), is limited to instances where such laws are to apply by virtue of the rules of private international law. The reference to “law of insolvency” in clause 24 requires a separate definition because it refers to the law of insolvency in places outside Hong Kong.

- (a) ultimate settlement of transfer orders is effected within the system itself; and
 - (b) there is compliance with the requirements stipulated in section 6(1).
- (2) In making a determination under subsection (1) the Monetary Authority –
- (a) shall have regard to such information relating to the system as may be submitted to him by the system operator for the purposes of this section; and
 - (b) may in addition have regard to such other information in his possession relating to the system as he considers relevant,

but the Monetary Authority shall not be under any obligation to undertake any enquiries for the purpose of making the determination.

(3) If the Monetary Authority determines that the criteria specified in subsection (1) have been met as regards a designated system, he shall issue in respect of the system a certificate certifying to that effect ("certificate of finality") and specifying a date and time as from which the certificate shall have effect.¹⁸

(4) If the Monetary Authority finds himself unable to make a determination in the terms mentioned in subsection (3) as regards a designated system, he shall inform the system operator in writing accordingly giving particulars of the respect in which any of the criteria specified in subsection (1) have not been met or of the further information he requires in order to make a determination in relation to such criteria.

(5) Except for the period of any suspension under section 15(1), a certificate of finality in respect of a designated system remains in effect until it is revoked or until the designation of the system for the purposes of this Ordinance has been revoked.

(6) Except as otherwise provided, the following provisions of this Part apply to and in relation to any designated system in respect of which a certificate of finality is in

¹⁸ [This amendment is proposed in response to a related comment from the ALA to avoid uncertainty as to the date and time from which a certificate of finality should have effect. Refer also to footnote 20.](#)

effect; and in Divisions 3, 4 and 5 of this Part, a reference to a designated system is a reference to such a designated system.

(7) The Monetary Authority shall publish in the Gazette notice of any certificate of finality issued under this section.¹⁹

15. Suspension or revocation of certificate of finality

(1) The Monetary Authority may at any time by notice in writing, with effect as from a date and time specified in the notice,²⁰ suspend or revoke a certificate of finality in respect of a designated system if he is of the opinion that, as regards that system –

- (a) any one or more of the criteria specified in section 14(1)(a) or (b) are no longer met; or
- (b) there has been any contravention of section 5(2), 6(3), 10, 11, 12, 43 or 52(4).

(2) Before suspending or revoking a certificate of finality under this section the Monetary Authority shall –

- (a) notify in writing the system operator and settlement institution of his intention to suspend or revoke the certificate of finality and the grounds on which the suspension or revocation is to be made; and
- (b) allow such period as is specified in the notice, being a period of not less than 14 days, within which the system operator or settlement institution may be heard or may make representations as to why the certificate of finality should not be suspended or revoked.

(3) The Monetary Authority shall publish in the Gazette notice of any

¹⁹ This amendment is proposed in response to a comment from the ALA that the Monetary Authority should publish notice of the issuance, suspension and revocation of a certificate of finality. The gazettal arrangement will help enhance transparency of the Monetary Authority's decision in this regard.

²⁰ This amendment is proposed in response to the comment from the ALA that there is a need to provide expressly the time when the suspension or revocation takes effect.

[suspension or revocation of a certificate of finality effected under this section.](#)²¹

Division 3 – Finality of transactions and proceedings within designated systems

16. Scope of modification of law of insolvency under this Division

- (1) The ~~general~~²² law of insolvency shall have effect in relation to –
 - (a) transfer orders effected through a designated system;
 - (b) action taken under the operating rules of a designated system with respect to such orders; and

subject to the provisions of this Division.

(2) This Division shall apply in relation to bankruptcy and winding up proceedings in respect of a participant, but shall not apply in relation to bankruptcy and winding up proceedings in respect of any person who is not a participant.

- (a) to be reversed, repaid or set aside; or
- (b) to an order made by a court for the rectification or stay of such transfer or settlement.

18. Proceedings of designated systems take precedence over law of insolvency

(1) None of the following shall be regarded as to any extent invalid on the ground of inconsistency with the law of insolvency regarding distribution of the assets of a person on bankruptcy or winding up, or on the appointment of a liquidator, trustee in bankruptcy or equivalent officer over any of the assets of a person –

- (a) a transfer order;
- (b) any disposition of property in pursuance of a transfer order;

(5) The Monetary Authority may attach to any disclosure of information to a person made pursuant to subsection (3)(b), (c), (d), ~~or (e)~~, ~~(ea) or (eb)~~⁵⁹ or (4) a condition that neither the person to whom the information has been disclosed nor any person obtaining or receiving the information (whether directly or indirectly) from such person shall disclose that information to any other person without the consent of the Monetary Authority.
