Dear Mrs Tong,

**Bills Committee on  
Hong Kong Sports Development Board (Repeal) Bill**

Thank you for your letter of 11 February 2004.

We have been in discussion with the staff representatives of HKSDDB and agreed that we should hold discussion sessions to further exchange views and clarify misunderstanding. We are in the process of arranging further meetings with them. Our latest estimate is that we should definitely be able to revert to the Bills Committee in April after our discussion with SDB staff and the internal re-organization being implemented by the Board.

We would very much like to retain our slot and would inform the Bills Committee of progress made as soon as possible.

Yours sincerely,

(Eddie Poon)  
for Secretary for Home Affairs
