**Capital Works Reserve Fund
Block Allocations for 2004-05**

The Public Works Subcommittee will consider the funding proposals detailed in PWSC(2003-04)54 on 17 December 2003. I enclose the full list of block allocation items (in three volumes) for your keeping in the LegCo Library for Members' reference.

In response to Panel Members' queries raised at the meeting of the LegCo Panel on Information Technology and Broadcasting on 5 December 2003, we have indicated in the project list for **Head 710 – Computerisation** block allocation **Subhead A007GX** the realisable and notional benefits arising from the 86 new projects to be implemented in 2004-05. We have also highlighted this point at paragraph 12 of PWSC(2003-04)54.

Grateful if you would make known to Members of the Public Works Subcommittee the availability of the list.
