**Motion on “Better health care financing policy”
to be moved by Hon Michael MAK Kwok-fung
at the Legislative Council meeting
of Wednesday, 14 January 2004**

Wording of the Motion

“That, as the existing health care financing policy fails to enable the public to receive sustained good-quality health care services, this Council urges the Government to work out a better health care financing plan in the light of overseas experience and to consult the public, so as to expeditiously formulate a long-term new policy that is workable.”
