and provision of interchange concessions”
to be moved by Hon LAU Kong-wah
at the Legislative Council meeting
of Wednesday, 3 March 2004**

Wording of the Motion

“That, as the merger of the Kowloon-Canton Railway Corporation and the Mass Transit Railway Corporation Limited will have far-reaching implications for the future fare structures of the two railway corporations, this Council urges the Government to expeditiously announce the details of the relevant plan for public consultation, in order to ensure that the merger will alleviate the burden on the public; furthermore, before the implementation of the merger plan, the Government should give impetus to the two railway corporations to reduce their fares and encourage them to cooperate in introducing interchange concessions expeditiously.”
