

**Panel on Planning, Lands and Works
Panel on Environmental Affairs**

**List of follow-up actions arising from discussion
at the joint meeting on 27 November 2003**

- (a) to provide the Administration's response to the submissions forwarded to the Panels and views of deputations expressed at the meeting;
- (b) to elaborate on the cost-effectiveness of the Central-Wanchai Bypass (the Bypass), and in this connection, to clarify the bases of the estimated capital cost of the Bypass and the estimated cost of time saved as set out in Annex E to Administration's letter dated 22 November 2003;
- (c) to clarify whether and how the developments/changes which have taken place after the Hong Kong Third Comprehensive Transport Study have been fully taken into account in the Administration's current analysis of the cost-effectiveness of the Bypass; and
- (d) to provide analyses of the feasibility and cost-effectiveness of various alternatives to construction of the Bypass to solve the traffic congestion problem.
