**Proposed timing  
For discussion**

5. **Logistics Development**

First half of 2004

The Administration will brief the Panel on the present situation and prospective development of logistics in Hong Kong.

At the meeting on 3 November 2003, Hon SIN Chung-kai requested the Panel to follow up on the progress of the development of the Digital Trade Transportation Network system.

The Panel is also concerned about the measures to strengthen Hong Kong's role as an international and regional transportation and logistics hub. The Panel would also like to be briefed on the work of the Hong Kong Logistics Development Council.

6. **Enhancement of public facilities at Ngong Ping**

First half of 2004

The Administration will brief the Panel of the progress of the enhancement programme to improve public facilities at Ngong Ping.

7. **Amendment to Civil Aviation Ordinance to release passive aircraft owners from strict liability**

First half of 2004

The Administration will brief the Panel on the proposed amendment to Civil Aviation Ordinance to release passive aircraft owners from strict liability.

8. (a) **Transport link in Tsim Sha Tsui East**  
(b) **Implementation of Harbour Lighting Plan Phase II**

Second Quarter of  
2004

The Administration will brief the Panel on the above tourism projects.

9. **Reconstruction of Sham Chung and Lai Chi Chong public piers**

Second Quarter of  
2004

The Administration will brief the Panel on the funding proposal relating to the reconstruction of Sham Chung and Lai Chi Chong public piers.

**Proposed timing  
For discussion**

10. **Hong Kong Disneyland**

To be confirmed

The Administration undertook to provide regular progress reports to the Panel. The last report was made on 24 November 2003.

**Other items proposed by members**

11. **Access to the Mainland aviation market**

To be confirmed

The item is a follow-up to an oral question raised at the Council meeting on 19 March 2003. In view of the growing importance and rapid expansion of the Mainland aviation market, members would like to be briefed on the actions the Government intends to take to assist all Hong Kong airlines to have access to the Mainland aviation market.

12. **Post 2008 regulatory regime for the electricity supply sector and increasing interconnection between the two power companies**

To be confirmed

The Government is conducting a review of the electricity market with a view to drawing up, in good time, a broad framework for the development of the electricity supply sector to succeed the current Scheme of Control Agreements which will expire in 2008.

At the meeting on 28 July 2003, members urged the Administration to initiate discussion with the two power companies as soon as possible with a view to making early preparation for future third party access to the transmission network and addressing the transitional arrangements between the present and the future market structure.

13. **Development of golf courses and spa facilities**

To be confirmed

The Administration was requested to brief the Panel on the development of golf courses and spa facilities in Hong Kong.

**Proposed timing  
For discussion**

14. **Modern cruise terminal**

To be confirmed

The Administration was requested to brief the Panel on the development of modern cruise terminal in South East Kowloon Development.

15. **Development of bicycle industry to boost employment and tourism**

To be confirmed

The item was proposed by Hon LEUNG Fu-wah at the Panel meeting on 3 November 2003.

The Administration has advised that as this item cuts across bureaux, it may not be appropriate to be considered by the Panel alone.

16. **Development of Post Code/Zip Code in Hong Kong**

To be confirmed

The item was proposed by Hon SIN Chung-kai at the Panel meeting on 3 November 2003.

17. **Development of eco-tourism**

To be confirmed

Dr Hon LAW Chi-kwong proposed to conduct a joint meeting with the Panel on Environmental Affairs to follow-up the survey report and recommendations on eco-tourism published by the Democratic Party (vide LC Paper No. CB(1)499/03-04).
