Clerk to Panel on Economic Services  
Legislative Council  
8 Jackson Road  
Central  
Hong Kong  
(Attn: Mr Andy Lau)

Dear Mr Lau,

**Legislative Council Panel on Economic Services**  
**Supplementary information on Hong Kong Disneyland project**

As recorded in para 53 of the minutes of the Panel meeting held on 24 November 2003, the Administration undertook to liaise with the Hongkong International Theme Parks Limited (HKITP) to see if they could provide some details related to the jobs provided by the Company works. We have liaised with HKITP accordingly. Some details of the job information are set out below.

As reported in para 19 of our paper on Progress Update on Hong Kong Disneyland (LC Paper No. CB(1) 116/03-04 (04)), HKITP has about 240 full-time staff in Hong Kong. HKITP has now advised that all of them are at the managerial/administration level. The Company works have separately provided about 980 jobs. More than half of them are labourers. The remainder of about 410 are managerial/administration personnel, including professionals recruited under related consultancy contracts.

Yours sincerely,

( Andy Chan )  
for Commissioner for Tourism
