Dear Ms Chan,

**List of follow-up actions**

I refer to the list of follow-up actions of the LegCo Panel on Home Affairs.

Regarding item 4 (b) on the list, we have put forward the requests to extend the time restrictions on advertisement relating to lotteries and football betting to the Television and Entertainment Licensing Authority. They are now considering the issues and would be consulting the Broadcasting Authority shortly. We would keep you posted of developments as appropriate.

Yours sincerely,
