meeting with LegCo Members held on 2 March 2004**

Processing of small house applications and review on small house policy

- (a) the Administration should expedite the processing of small house applications, and additional staff should be deployed to cope with the heavy workload in some districts such as Yuen Long and Tai Po; and
- (b) the Administration should clarify whether and how the construction of village expansion areas approved under the Village Expansion Area Scheme will be affected by the review on small house policy.
