2. The Bills Committee deliberated (Index of proceedings attached at the **Appendix**).

3. The Administration was requested to:

- (a) consider asking the Construction Industry Training Authority (CITA) to convey to its serving staff the pledge contained in the letter issued by the Provisional Construction Industry Council Board to the Bills Committee that no major organizational changes or staff retrenchment would arise from budgetary reasons after the Bill was enacted and within two years upon the setting up of the Construction Industry Council (CIC) (the pledge). A member suggested that a letter in this respect be issued to each serving CITA staff;
- (b) reiterate the pledge at the resumption of the Second Reading debate on the Bill;
- (c) relay to CIC a member's request that should there be any staff retrenchment or change of employment terms after the two years' period, the exit terms should be better than those applicable under the employment contract and relevant labour legislation;
- (d) maintain communication with CITA staff when reviewing the development strategy and future positioning of CITA; and
- (e) report the progress of the amalgamation of CITA with CIC to the relevant Panels of the Legislative Council after working out the major issues concerned.

III Any other business

I Confirmation of minutes			
000000 – 000033	Chairman	Confirmation of minutes of the meetings held on 5 and 19 January 2006 (LC Paper Nos. CB(1)940/05-06 and CB(1)945/05-06 respectively)	
000034 – 000254	Chairman	Opening remarks	
II Discussion on outstanding issues			
<i>Discussion on the letter dated 21 April 2006 from the Provisional Construction Industry Co-ordinantion Board to the Chairman concerning transitional arrangement for the establishment of the Construction Industry Council</i>			
000255 – 000643	Chairman Administration	Briefing by the Administration on the letter dated 21 April 2006 from the Provisional Construction Industry Co-ordinantion Board (PCICB) to the Chairman concerning transitional arrangement for the establishment of the Construction Industry Council (CIC) (LC Paper No. CB(1)1343/05-06(01))	
000644 – 010150	Chairman Administration Mr Howard YOUNG Ms Emily LAU Ms LI Fung-ying Mr LEE Cheuk-yan Ms CHAN Yuen-han	Members' expression of the following views – (a) A member's view that the above transitional arrangement that no major organizational changes or staff retrenchment would arise from budgetary reasons after the Bill was enacted and within two years upon the setting up of CIC (the pledge) was acceptable but there was a need to formally consult the staff of the Construction Industry Training

		<p>Authority (CITA);</p> <p>(b) Another member's view that the pledge was barely acceptable and should be extended to three years. She and another member said that a letter containing the pledge should be issued to each serving staff of CITA. The Administration should also reiterate the pledge at the resumption of the Second Reading debate on the Bill;</p> <p>(c) Yet another member's view that although it was the hope of CITA's staff that the pledge be extended to four years, he acknowledged the need to provide CIC the flexibility to make organizational changes upon review of CITA's role after its amalgamation with CIC. CIC should discuss with CITA's staff unions on any such organizational change in future. In this regard, he made the following requests:</p> <p>(i) to better assure CITA staff, the phrase "budgetary reasons" being a cause for staff retrenchment should be deleted from the pledge; and</p> <p>(ii) should there be any staff retrenchment or change of employment terms after the pledged period, the exit terms should be better than those applicable under the employment contract or relevant labour legislation;</p>	

Time marker	Speaker	Subject(s)	Action required
		<p>(d) A member’s view that the phrase “budgetary reasons” should be retained in the pledge to provide flexibility for CIC to make organizational changes where necessary. He supported the proposal that the Administration should reiterate the pledge at the resumption of the Second Reading debate on the Bill; and</p> <p>(e) A further member’s view that the pledged period should be extended further to address CITA staff’s concern about the implications of the implementation of the “3+3+4” education structure, i.e. three-year junior secondary and three-year senior secondary education linking to four-year undergraduate programmes.</p> <p>Administration’s expression of the following points –</p> <p>(a) The pledge was the outcome of consultation with relevant parties and agreed by the industry as an appropriate transitional measure. The staff unions of CITA had also been informally consulted;</p> <p>(b) It was expected that CIC would be set up after six to nine months upon enactment of the Bill. Taking this into account, the pledged period would at least be two and a half years;</p> <p>(c) Staff participation in the review on development strategies and future positioning of CITA</p>	<p>The Administration to take</p>

Time marker	Speaker	Subject(s)	Action required
		<p>would be ensured by the increased representation of trade unions on CIC, coupled with an enhanced communication network of the Administration and union representatives established during the scrutiny process;</p> <p>(d) The Administration agreed to reiterate the pledge made by PCICB at the resumption of Second Reading debate on the Bill and would consider the suggestion of conveying it to staff concerned by CITA;</p> <p>(e) The Administration saw a need to retain “budgetary reasons” in the pledge because changes necessitated by financial difficulties encountered by CITA had all along been the major concern of its staff and members. Moreover, there was a need to provide CIC the flexibility to make necessary changes for other legitimate purposes; and</p> <p>(f) It would not be practicable to project the exit terms for staff after the transition period at this stage. Rather, there should be continued communication between the staff and management sides of CITA/CIC so as to identify suitable arrangements in future.</p> <p>Chairman’s view that where the Bills Committee (BC) was concerned, ensuring the adequacy of clause 82 and securing the pledge on</p>	<p>action under paragraph 3(d) of the minutes</p> <p>The Administration to take actions under paragraphs 3(a), 3(b) and 3(c) of the minutes</p>

		continuance of employment would suffice. Detailed arrangements of the future operation of CIC should be left to the management and staff.	
<i>Discussion on the Administration's responses to outstanding follow-up actions arising from discussions at previous meetings</i>			
010151 – 010809	Chairman Administration	Briefing by the Administration on its responses to outstanding follow-up actions arising from discussions at previous meetings (LC Paper No. CB(1)942/05-06(02))	
010810 – 012500	Chairman Ms Emily LAU Mrs Selina CHOW Mr Abraham SHEK Mr WONG Kwok-hing Ms LI Fung-ying Administration	Administration's expression of the following points in response to members – (a) Regarding item (1) of the responses, the uploading of the register of interest declarations of CIC members onto the Internet could be effected by administrative means; (b) Regarding item (2), the transaction of business by circulation of papers was a standing practice in many public bodies including PCICB and there were established procedures in this regard. CITA resorted to these procedures to deal with urgent and straight-forward matters only; and (c) Regarding item (3), the “six-year” and “six-board” rules under which non-officials should not be appointed to more than six boards/committees and/or hold office for more than six consecutive years in general circumstances are administrative guidelines

		<p>promulgated by Government, hence they should not be written into the Bill. Meanwhile, these rules might not be applied to CITB and other committees under the auspice of CIC since their appointment matters would be determined by the industry.</p> <p>A member’s expression of concern about the transaction of business by circulation of papers. Another member’s indication of agreement to the Administration’s views in item (b) above. A further member’s view that there was a need to retain flexibility in transacting business by circulation of papers</p> <p>Discussion on whether the “six-year” and “six-board” rules should be written into the Bill. Given the stipulation on term of office of CIC members in clause 10, the majority view was that this policy matter should not be enshrined in the Bill</p>

CB(1)1351/05-06(02) and (03))</p> <p>A member’s view that the expression “關乎” in the new clause 5(ha) was redundant and should be deleted</p> <p>Administration’s advice that the term “關乎” was in line with English version of the relevant clause</p> <p>Administration and ALA’s confirmation that the clauses in the</p>
