

**Bills Committee on Construction Industry Council (No.2) Bill**

**List of Follow-up Actions Arising from Discussion  
at the 8<sup>th</sup> Meeting on 19 April 2005**

	<b>Follow-up actions</b>	<b>Administration's responses</b>
(1)	To provide the revised updated list of nominating organizations for the categories of "employers", "professionals/consultants", "contractors /subcontractors & materials/equipment suppliers" and "trade unions".	We have provided the updated list under separate cover.
(2)	<ul style="list-style-type: none"> <li>- To review the drafting of clause 9. Members consider that the basic principles of representation should be enshrined in the drafting.</li> <li>- To advise whether the number of members representing workers would be increased.</li> <li>- To provide the details as to how the list of nominating organizations tailored for the hybrid model would be promulgated. Members noted that the Administration was looking into an option of incorporating the list into the Bill as a schedule.</li> </ul>	We will provide the Committee Stage Amendments (CSAs) to clause 9 under separate cover.
