

**Bills Committee on Construction Industry Council (No. 2) Bill**

**List of follow-up actions arising from discussion  
at the meeting on 24 November 2005**

The Administration is requested to –

Clauses 14 and 15

- (a) review the two clauses to address members' concern about the relation between the Executive Director and the Council;

Clause 19

- (b) review the drafting of the clause. Members are concerned about its relation with clause 82. A suggested version is to add at the beginning of the clause “除了第 82 條另有規定之外，”;

Clause 21

- (c) provide similar provisions in other ordinances;
- (d) advise whether and how the provision will affect liability for accident arising from work and claim for compensation; and

Clause 34

- (e) review if there is any grey area in the clause which may affect imposition of levy on construction operations.
