

**Bills Committee on Companies (Amendment) Bill 2004  
Fifth meeting on 24 February 2005**

**List of follow-up actions to be taken by the Administration**

Impact of the Bill on the asset-securitization market in Hong Kong

The Administration is requested to consider the views and concerns about the impact of the Bill on the development of the asset-securitization market in Hong Kong raised by members and deputations/academics at the meeting, and to respond to further submissions from deputations/academics, if any.
