**Re: Written statement regarding Waste Disposal (Amendment) Bill 2005**

1. Hong Kong Veterinary Association (HKVA) is a major veterinary profession organization representing registered veterinary surgeons in Hong Kong.
2. After consulting our members and executive committee members, HKVA support the Waste Disposal Bill to be amended.
3. To protect public health, we support the proposed Clinical Waste Control Scheme (Code of Practice) listed in the Consultation Document.

Yours sincerely,

Dr. Veronica Leong, DVM, MAM, Diplomate ACPV  
President  
Hong Kong Veterinary Association
