

Accreditation of Academic and Vocational Qualifications Bill

Specifications of Competency Standards

At the meeting of the Bills Committee held on 23 November 2006, the Education and Manpower Bureau was requested to provide the Specifications of Competency Standards (SCSs) developed by the first three Industry Training Advisory Committees for the Printing & Publishing, Watch & Clock, and Hairdressing industries.

2. The relevant SCSs have been uploaded onto the website of the Qualifications Framework: http://www.hkqf.gov.hk/guie/SCS_list.asp. Members may refer to the website for details of the competency standards. We shall also be pleased to provide printed copies of SCSs to Members upon request.
