**Motion on
“Opposing Japan’s textbooks distorting history”
to be moved by Hon LAU Kong-wah
at the Legislative Council meeting
of Wednesday, 4 May 2005**

Wording of the Motion

“That this Council strongly condemns the recent approval by Japan’s Ministry of Education, Culture, Sports, Science and Technology of the history textbooks for secondary schools written by a right-wing group, which brazenly distort the historical facts of Japan’s invasion of its neighbouring countries during the Second World War and embellish Japan’s acts of aggression, and also strongly demands the Japanese Government to totally abandon militarism, face up to the historical facts, and offer its sincere apologies and reasonable compensation to the countries and people who were subjected to its invasion during the Second World War.”
