Dear Chairman,

**Proposed Resolutions to be moved by
the Secretary for the Environment, Transport and Works
under the Road Traffic (Driving-offence Points) Ordinance (Cap. 375)
and the Fixed Penalty (Criminal Proceedings) Ordinance (Cap. 240)**

I refer to the captioned proposal resolutions, the notices of which have been issued by the Secretary for the Environment, Transport and Works on 25 May 2005.

I would like to inform the House Committee of the Administration's wish to conclude this legislative exercise before the summer recess. The subject matters of the Resolutions have been discussed extensively at the Panel on Transport in the past six months, and we have already revised the proposals, taking into account the views of Members and those of the transport trade. We believe our current proposals have the support of the community. Early passage of the Resolutions would certainly be in the best interest of the public at large.

Yours sincerely,
