**UNITED NATIONS SANCTIONS (LIBERIA) REGULATION 2005**  
**(REPEAL) REGULATION**

**INTRODUCTION**

At the meeting of the Executive Council on 11 March 2008, the Council advised and the Chief Executive ordered that –

- A   (a) the United Nations Sanctions (Liberia) Regulation 2008 (“the Regulation”), at Annex A, be made under section 3 of the United Nations Sanctions Ordinance (“the Ordinance”); and
- B   (b) the United Nations Sanctions (Liberia) Regulation 2005 (Repeal) Regulation (“the Repeal Regulation”), at Annex B, be made consequential to the making of the Regulation.

The Regulation and the Repeal Regulation (“the Regulations”) were gazetted on 14 March 2008. The Regulation (except the provisions of the Regulation that relate to financial sanctions) came into operation on the same date. The Repeal Regulation and the provisions of the Regulation that relate to financial sanctions will come into effect on 21 March 2008<sup>1</sup>.

---

<sup>1</sup> After the repeal of the United Nations Sanctions (Liberia) Regulation 2005 (Cap 537X), the current list of relevant persons or relevant entities as specified by the CE for the purposes of the financial sanctions provisions will expire. A new list can only be gazetted pursuant to section 31 of the Regulation after the Regulation has come into effect. To ensure that there is no time-gap, the Repeal Regulation and the provisions of the Regulation that relate to financial sanctions will come into effect one week later than the Regulation.

## **BACKGROUND**

### **Obligation and Authority**

2. Under section 3(1) of the Ordinance, the Chief Executive (“CE”) is required to make regulations to give effect to an instruction by the Ministry of Foreign Affairs (“MFA”) of the People’s Republic of China to implement sanctions decided by the Security Council of the United Nations (“UNSC”). In January 2008, the CE received an instruction from the MFA which requested the Government of the Hong Kong Special Administrative Region (“HKSAR”) to implement UNSC Resolution (“UNSCR”) 1792. The Regulation was made pursuant to that instruction. A document issued by the Chief Secretary for Administration confirming the MFA’s instruction is at Annex C.

C

### **Sanctions against Liberia**

3. Since March 2001, the UNSC has adopted a series of resolutions imposing sanctions against Liberia in view of the country’s support for armed rebel groups in neighbouring countries and its role in the trading of illicit diamonds, which constitute a threat to international peace and security in the region. These resolutions include Resolution 1532 (at Annex D), which imposes financial sanctions.

D

4. To implement the UN sanctions, appropriate Regulations have been made under the Ordinance. The most recent Regulation enacted was the United Nations Sanctions (Liberia) Regulation 2005, Cap 537X, which prohibits -

- (a) the supply and carriage of arms and related materials to Liberia;
- (b) the provision to Liberia of technical training or assistance related to the provision, manufacture, maintenance or use of arms and related materials;
- (c) the transit and entry of persons designated by the relevant UNSC Committee into HKSAR;

- (d) the making available of funds or other financial assets or economic resources to or for the benefit of certain persons and entities;
- (e) the importation of round logs and timber from Liberia; and
- (f) the importation of rough diamonds from Liberia.

5. Cap.537X has been amended five times since it was enacted to reflect updated resolutions by the UNSC. The provision which prohibited the importation of round logs and timber from Liberia expired in June 2006 and the provision which prohibited the importation of rough diamonds from Liberia was repealed in June 2007, following the decision of the UNSC to lift the prohibition. All the other provisions in Cap.537X, except for those related to financial sanctions, expired on 19 December 2007.

### **UNSCR 1792**

E 6. On 19 December 2007, the UNSC adopted Resolution 1792 (at Annex E), which decided, inter alia, to renew for further 12 months (i.e., until midnight on 18 December 2008) the following sanctions -

- F  
G &H (a) the measures on arms imposed in Resolution 1521 (Annex F) and later modified in Resolutions 1683 and 1731 (Annexes G and H); and
- (b) the measures on travel imposed in Resolution 1521.

## **THE REGULATION**

7. The Regulation at Annex A implements the sanctions renewed under UNSC Resolution 1792, and continues the implementation of relevant measures under UNSC Resolution 1532 relating to financial sanctions against Liberia. The main provisions are –

- (a) section 1, which provides that all sections, except those relating to financial sanctions, will expire at midnight on 18 December 2008;
- (b) sections 3 and 4, which prohibit the supply, delivery and carriage of arms and related material to Liberia;
- (c) section 5, which prohibits the provision of technical training or assistance related to the supply, delivery, manufacture, maintenance or use of arms and related materials to certain persons;
- (d) section 6, which prohibits making funds, other financial assets or economic resources available to or for the benefit of certain persons or entities;
- (e) section 7, which prohibits the entry into or transit through the HKSAR of certain specified persons;
- (f) sections 9 to 11, which provide for the granting of a licence for the supply, delivery or carriage of arms and related material; the provision of technical training or assistance related to the supply, delivery, manufacture, maintenance or use of arms and related materials to certain persons; or the making available of funds, other financial assets or economic resources to or for the benefit of certain persons or entities;
- (g) sections 14 to 23, which provide for enforcement powers; and

- (h) section 31, which provides that the CE may by notice published in the Gazette specify a person or an entity referred to in the list maintained by the Committee<sup>2</sup> for the purposes of paragraph 1 of UNSC Resolution 1532 as a relevant person or a relevant entity.

## **THE REPEAL REGULATION**

8. All provisions of Cap. 537X, except those relating to financial sanctions, expired on 19 December 2007. Consequential to the making of the Regulation, which includes provisions relating to financial sanctions, there is no further need for Cap. 537X, which will therefore be repealed.

## **IMPLICATIONS OF THE REGULATIONS**

9. The Regulations are in conformity with the Basic Law, including the provisions concerning human rights. They will not affect the binding effect of the Ordinance. They have no financial, civil service, economic, productivity, environmental or sustainability implications.

## **PUBLICITY**

10. A press release was issued on 14 March 2008 when the Regulations were published in the Gazette.

## **ADVICE SOUGHT**

11. Members are invited to note the implementation of UNSCR 1792 by the Regulation and the Repeal Regulation.

**Resolution 1532 (2004)**

**Adopted by the Security Council at its 4925th meeting,  
on 12 March 2004**

*The Security Council,*

*Recalling* its resolution 1521 (2003) of 22 December 2003, and its other previous resolutions and statements by its President on the situation in Liberia and West Africa,

*Noting with concern* that the actions and policies of former Liberian President Charles Taylor and other persons, in particular their depletion of Liberian resources, and their removal from Liberia and secreting of Liberian funds and property from that country, have undermined Liberia's transition to democracy and the orderly development of its political, administrative, and economic institutions and resources,

*Recognizing* the negative impact on Liberia of the transfer abroad of misappropriated funds and assets and the need for the international community to ensure as soon as possible, in accordance with paragraph 6 below, the return of such funds and assets to Liberia,

*Also expressing* concern that former President Taylor, in collaboration with others still closely associated with him, continues to exercise control over and to have access to such misappropriated funds and property, with which he and his associates are able to engage in activities that undermine peace and stability in Liberia and the region,

*Determining* that this situation constitutes a threat to international peace and security in West Africa, in particular to the peace process in Liberia,

*Acting* under Chapter VII of the Charter of the United Nations,

1. *Decides* that, to prevent former Liberian President Charles Taylor, his immediate family members, in particular Jewell Howard Taylor and Charles Taylor, Jr., senior officials of the former Taylor regime, or other close allies or associates as designated by the Committee established by paragraph 21 of resolution 1521 (2003) (hereinafter, "the Committee") from using misappropriated funds and property to interfere in the restoration of peace and stability in Liberia and the sub-region, all States in which there are, at the date of adoption of this resolution or at any time thereafter, funds, other financial assets and economic resources owned or controlled

directly or indirectly by Charles Taylor, Jewell Howard Taylor, and Charles Taylor, Jr. and/or those other individuals designated by the Committee, including funds, other financial assets and economic resources held by entities owned or controlled, directly or indirectly, by any of them or by any persons acting on their behalf or at their direction, as designated by the Committee, shall freeze without delay all such funds, other financial assets and economic resources, and shall ensure that neither these nor any other funds, other financial assets or economic resources are made available, by their nationals or by any persons within their territory, directly or indirectly, to or for the benefit of such persons;

2. *Decides* that the provisions of paragraph 1 above do not apply to funds, other financial assets and economic resources that:

(a) have been determined by relevant State(s) to be necessary for basic expenses, including payment for foodstuffs, rent or mortgage, medicines and medical treatment, taxes, insurance premiums, and public utility charges, or exclusively for payment of reasonable professional fees and reimbursement of incurred expenses associated with the provision of legal services, or fees or service charges for routine holding or maintenance of frozen funds, other financial assets and economic resources, after notification by the relevant State(s) to the Committee of the intention to authorize, where appropriate, access to such funds, other financial assets and economic resources and in the absence of a negative decision by the Committee within two working days of such notification;

(b) have been determined by relevant State(s) to be necessary for extraordinary expenses, provided that such determination has been notified by the relevant State(s) to the Committee and has been approved by the Committee; or

(c) have been determined by relevant State(s) to be the subject of a judicial administrative, or arbitral lien or judgement, in which case the funds, other financial assets and economic resources may be used to satisfy that lien or judgement provided that the lien or judgement: was entered prior to the date of the present resolution; is not for the benefit of a person referred to in paragraph 1 above or an individual or entity identified by the Committee; and has been notified by the relevant State(s) to the Committee;

3. *Decides* that all States may allow for the addition to accounts subject to the provisions of paragraph 1 above of:

(a) interest or other earnings due on those accounts; and

(b) payments due under contracts, agreements or obligations that arose prior to the date on which those accounts became subject to the provisions of paragraph 1 above;

provided that any such interest, other earnings and payments continue to be subject to those provisions;

4. *Further decides* that the Committee shall:

(a) identify individuals and entities of the types described in paragraph 1 above, and promptly circulate to all States a list of said individuals and entities, including by posting such a list on the Committee's web site;

(b) maintain and regularly update and review every six months the list of those individuals and entities identified by the Committee as being subject to the measures set forth in paragraph 1 above;

(c) assist States, where necessary, in tracing and freezing the funds, other financial assets and economic resources of such individuals and entities;

(d) seek from all States information regarding the actions taken by them to trace and freeze such funds, other financial assets and economic resources;

5. *Decides* to review the measures imposed in paragraph 1 above at least once a year, the first review taking place by December 22, 2004 in conjunction with its review of the measures imposed in paragraphs 2, 4, 6 and 10 of resolution 1521 (2003), and to determine at that time what further action is appropriate;

6. *Expresses* its intention to consider whether and how to make available the funds, other financial assets and economic resources frozen pursuant to paragraph 1 above to the Government of Liberia, once that Government has established transparent accounting and auditing mechanisms to ensure the responsible use of government revenue to benefit directly the people of Liberia;

7. *Decides* to remain actively seized of the matter.

**Resolution 1792 (2007)****Adopted by the Security Council at its 5810th meeting, on  
19 December 2007**

*The Security Council,*

*Recalling* its previous resolutions and statements by its President on the situation in Liberia and West Africa,

*Welcoming* the sustained progress made by the Government of Liberia since January 2006, in rebuilding Liberia for the benefit of all Liberians, with the support of the international community,

*Recalling* its decision not to renew the measures in paragraph 10 of resolution 1521 (2003) regarding round log and timber products originating in Liberia, and stressing that Liberia's progress in the timber sector must continue with the effective implementation and enforcement of the National Forestry Reform Law signed into law on 5 October 2006, including the resolution of land and tenure rights, the conservation and protection of biodiversity, and the process for the awarding of contracts for commercial forestry operations,

*Recalling* its decision to terminate the measures in paragraph 6 of resolution 1521 (2003) regarding diamonds,

*Welcoming* the Government of Liberia's participation in the Kimberley Process Certification Scheme, noting Liberia's implementation of the necessary internal controls and other requirements of the Kimberley Process, and calling on the Government of Liberia to continue to work diligently to ensure the effectiveness of these controls,

*Stressing* the continuing importance of the United Nations Mission in Liberia (UNMIL) in improving security through Liberia and helping the Government establish its authority throughout the country, particularly in the diamond and timber-producing regions, and border areas,

*Taking note* of the report of the United Nations Panel of Experts on Liberia dated 5 December 2007 (S/2007/689, annex), including on the issues of diamonds, timber, targeted sanctions, and arms and security,

*Having reviewed* the measures imposed by paragraphs 2 and 4 of resolution 1521 (2003) and paragraph 1 of resolution 1532 (2004) and the progress towards

meeting the conditions set out by paragraph 5 of resolution 1521 (2003), and concluding that insufficient progress has been made towards that end,

*Underlining* its determination to support the Government of Liberia in its efforts to meet those conditions, and encouraging donors to do likewise,

*Urging* all parties to support the Government of Liberia in identifying and implementing measures that will ensure progress towards meeting the conditions set out by paragraph 5 of resolution 1521 (2003),

*Determining* that, despite significant progress having been made in Liberia, the situation there continues to constitute a threat to international peace and security in the region,

*Acting* under Chapter VII of the Charter of the United Nations,

1. *Decides*, on the basis of its assessment of progress made to date towards meeting the conditions for lifting the measures imposed by resolution 1521 (2003):

(a) To renew the measures on arms imposed by paragraph 2 of resolution 1521 (2003) and modified by paragraphs 1 and 2 of resolution 1683 (2006) and by paragraph 1 (b) of resolution 1731 (2006) and to renew the measures on travel imposed by paragraph 4 of resolution 1521 (2003) for a further period of 12 months from the date of adoption of this resolution;

(b) That Member States shall notify the Committee established by paragraph 21 of resolution 1521 (2003) (“the Committee”) upon delivery of all arms and related materiel supplied in accordance with paragraph 2 (e) or 2 (f) of resolution 1521 (2003), paragraph 2 of resolution 1683 (2006), or paragraph 1 (b) of resolution 1731;

**Resolution 1521 (2003)****Adopted by the Security Council at its 4890th meeting, on  
22 December 2003**

*The Security Council,*

*Recalling* its previous resolutions and statements by its President on the situation in Liberia and West Africa,

*Taking note* of the reports of the United Nations Panel of Experts on Liberia dated 7 August 2003 (S/2003/779) and 28 October 2003 (S/2003/937 and S/2003/937/Add.1) submitted pursuant to resolution 1478 (2003),

*Expressing serious concern* at the findings of the Panel of Experts that the measures imposed by resolution 1343 (2001) continue to be breached, particularly through the acquisition of arms,

*Welcoming* the Comprehensive Peace Agreement signed by the former Government of Liberia, Liberians United for Reconciliation and Democracy (LURD) and the Movement for Democracy in Liberia (MODEL) on 18 August 2003 in Accra, and that the National Transitional Government of Liberia under Chairman Gyude Bryant took office on 14 October 2003,

*Calling upon* all States in the region, particularly the National Transitional Government of Liberia, to work together to build lasting regional peace, including through the Economic Community of West African States (ECOWAS), the International Contact Group on Liberia, the Mano River Union and the Rabat Process,

*Noting with concern*, however, that the ceasefire and the Comprehensive Peace Agreement are not yet being universally implemented throughout Liberia, and that much of the country remains outside the authority of the National Transitional Government of Liberia, particularly those areas to which the United Nations Mission in Liberia (UNMIL) has not yet deployed,

*Recognizing* the linkage between the illegal exploitation of natural resources such as diamonds and timber, illicit trade in such resources, and the proliferation and trafficking of illegal arms as a major source of fuelling and exacerbating conflicts in West Africa, particularly in Liberia,

*Determining* that the situation in Liberia and the proliferation of arms and armed non-State actors, including mercenaries, in the subregion continue to

constitute a threat to international peace and security in West Africa, in particular to the peace process in Liberia,

*Acting* under Chapter VII of the Charter of the United Nations,

**A**

*Recalling* its resolutions 1343 (2001) of 7 March 2001, 1408 (2002) of 6 May 2002, 1478 (2003) of 6 May 2003, 1497 (2003) of 1 August 2003, and 1509 (2003) of 19 September 2003,

*Noting* that the changed circumstances in Liberia, in particular the departure of former President Charles Taylor and the formation of the National Transitional Government of Liberia, and progress with the peace process in Sierra Leone, require the Council's determination for action under Chapter VII to be revised to reflect these altered circumstances,

1. *Decides* to terminate the prohibitions imposed by paragraphs 5, 6, and 7 of resolution 1343 (2001) and paragraphs 17 and 28 of resolution 1478 (2003) and to dissolve the committee established under resolution 1343 (2001);

(a) *Decides also* that all States shall take the necessary measures to prevent the entry into or transit through their territories of all such individuals, as designated by the Committee, who constitute a threat to the peace process in Liberia, or who are engaged in activities aimed at undermining peace and stability in Liberia and the subregion, including those senior members of former President Charles Taylor's Government and their spouses and members of Liberia's former armed forces who retain links to former President Charles Taylor, those individuals determined by the Committee to be in violation of paragraph 2 above, and any other individuals, or individuals associated with entities, providing financial or military support to armed rebel groups in Liberia or in countries in the region, provided that nothing in this paragraph shall oblige a State to refuse entry into its territory to its own nationals;

(c) *Decides* that the measures imposed by subparagraph 4 (a) above shall not apply where the Committee determines that such travel is justified on the grounds of humanitarian need, including religious obligation, or where the Committee concludes that an exemption would otherwise further the objectives of the Council's resolutions, for the creation of peace, stability and democracy in Liberia and lasting peace in the subregion;

5. *Expresses* its readiness to terminate the measures imposed by paragraphs 2 (a) and (b) and 4 (a) above when the Council determines that the ceasefire in Liberia is being fully respected and maintained, disarmament, demobilization, reintegration, repatriation and restructuring of the security sector have been completed, the provisions of the Comprehensive Peace Agreement are being fully implemented, and significant progress has been made in establishing and maintaining stability in Liberia and the subregion;

14. *Urges* all parties to the Comprehensive Peace Agreement of 18 August 2003 to implement fully their commitments and fulfil their responsibilities in the National Transitional Government of Liberia, and not to hinder the restoration of the Government's authority throughout the country, particularly over natural resources;
