

Panel on Economic Services**List of follow-up actions**
(position as at 22 June 2005)

Subject	Date of meeting	Follow-up action required	Administration's response
1. Expression of Interest on the Lantau Logistics Park	7.12.2004	The Administration was requested to provide information on the forecast traffic volume generated by the Lantau Logistics Park (LLP), and the forecast volume to capacity ratios of the North Lantau Highway taking into account the LLP and other developments on Lantau.	The Administration has advised that traffic impact assessment will be included in the detailed feasibility study for the LLP project.
2. Privatization of Airport Authority	31.1.2005	As the level of airport charges between the Hong Kong International Airport (HKIA) and other airports in the world was a major issue raised at the meeting, members agreed that the Administration, the Airport Authority and deputations should be invited to provide comparative information on the airport charges of HKIA and other airports for members' reference.	At the Panel's request, the International Air Transport Association has provided a submission on the comparison between the current airport charges of HKIA and those of other major world cities. The submission was issued vide LC Paper No. CB(1)1591/04-05 dated 20 May 2005. The Administration's response was issued vide LC Paper No. CB(1)1798/04-05 dated 16 June 2005.
3. Development of heliport facilities in Hong Kong	28.2.2005 (joint meeting with Panel on Planning, Lands and Works)	At the meeting, the Panels passed the motion - "That, the Panel on Economic Services and the Panel on Planning, Lands and Works urge the Government to expedite the provision of a permanent commercial heliport and associated facilities in the central business district of the	The Administration would report progress at the Panel meeting in July 2005.
