The subject is scheduled for discussion upon the completion of the domestic rent review.

In the Judicial Review in respect of the Housing Authority (HA)'s decisions to defer the review of public rental housing (PRH) rents in 2001 and 2002, the Court of First Instance ruled in favour of the two applicants for the Judicial Review. Pursuant to this outcome, the Panel held a special meeting on 16 July 2003 to discuss the issue of median rent-to-income ratio (MRIR) for PRH flats. The Panel held another special meeting on 25 March 2004 to discuss the Administration's proposed framework for reviewing PRH rents. The Panel would further discuss the subject after the judgment concerning the MRIR case had been delivered by the Court of Appeal.

**5. Assistance to elderly owners of dilapidated buildings**

The issue was referred to the Panel by the Complaints Division after a meeting of LegCo members with the Society for Community Organization on 23 February 2004 on how the Government can help solve the housing problems faced by elderly owner-occupiers of dilapidated buildings. The issue was subsequently discussed at the meeting of the Panel on 7 April 2004. The Administration was requested to review the "property ownership restriction" for public rental housing. The then Panel Chairman instructed that the item be put on the list for follow-up in due course. Duty Roster Members (DRMs) handled a complaint case about eligibility criteria applicable to residents of the Shek Lei (II) Interim Housing Estate when applying for PRH. The deputation requested that interim housing residents be waived of the eligibility criteria on income and assets limits for PRH, and for acceleration of allocation of PRH. Hon Albert HO, Panel Chairman for the 2003-04 session and one of the DRMs, instructed that the subject be put on the Panel's list of outstanding items for discussion.

Tai Po District Council (TPDC) members also raised at their meeting with LegCo Members on 4 March 2004 concerns about the rehousing eligibility of residents affected by the project at Ma Wat River. According to TPDC members, affected residents were dissatisfied that, while their homes would be demolished by the Government because of the project, they would be subject to the income and asset limits for rehousing to PRH flats.
