2. Efficiency savings	8 March 2004	The Administration was requested to provide information on the changes in the staff and salary structures of NGOs on the Lump Sum Grant (LSG) funding arrangement since their switching to LSG until to date.	The Administration, in consultation with the LSG Steering Committee, has commissioned a consultancy to conduct a survey on the NGOs' need for financial assistance after the "Tide-over Period". The survey which was a reflection of NGOs' projection of their situation after the cessations of Tide-over Grant in 2006-07 has been completed. The Administration will further discuss with NGOs concerned on the way forward.
3. Measures to address poverty	8 March 2004	The Administration was requested to give a response to the motion passed at the meeting.	The Administration will provide a written response on both the motions passed on 8.3.2004 and 3.11.2004 in due course.
4. The provision of disregarded earnings (DE) under the Comprehensive Social Security Assistance (CSSA) Scheme	13 April 2004	The Administration was requested to expeditiously review the measure of allowing no DE for all categories of recipients in the initial determination of eligibility and in cases which had been on CSSA for less than three months.	The results of the review are expected to be available in late 2005.

5. Briefing by the Secretary for Health, Welfare and Food	8 November 2004	The Administration undertook to seek the advice of the Social Welfare Advisory Committee on the reviews to be undertaken on the CSSA Scheme and the need for a second safety net, and to keep members informed on its consideration.	The Administration are examining the issue and will revert to Members upon completion of study.
6. Third Progress Report on the Trust Fund for Severe Acute Respiratory Syndrome	13 December 2004	The Administration undertook to provide the distribution of the amounts claimed by recovered Severe Acute Respiratory Syndrome/"suspected" patients whose monthly claims for dietary supplements exceeded the \$1,000 ceiling.	The requisite supplementary information has been provided to the Panel for the next meeting on 10 January 2005.
7. Provision of infirmary care for elders in a non-hospital setting	13 December 2004	The Administration undertook to provide more details of the tender exercise before the next meeting, including the criteria used in selecting operators to run the trial scheme, justification(s) for inviting private home operators to participate in the exercise, and the reason(s) for setting the unit subsidy for each subsidised infirmary bed in a non-hospital setting as around \$11,000 before the next meeting.	The Administration is further discussing the proposed trial scheme with the sector, and will revert when ready.
