

**LegCo Panel on Financial Affairs
Meeting on 7 November 2005**

List of follow-up actions to be taken by the Administration

The 2006-07 Budget consultation

The Administration is requested to provide the following information:

- (a) A breakdown of Government expenditure on works projects and the changes in percentage for each of the past ten years (i.e. covering the financial years of 1995-96 to 2004-05); and
- (b) A breakdown of the profits tax revenue contributed by the top 600 taxpaying corporations for the year of Assessment 2003-04 (Chart 19 of the information pack for the Financial Secretary's consultations on the 2006-07 Budget).
