**8. Review of public housing policy to take into account changes in demographics in Hong Kong**

The ageing population and the continuous decline in birth rate have aroused public concern on the need for a review of the existing housing policies to take into account such demographic changes. To address the problem of ageing population, members urged the Administration to significantly raise the asset limits for the elderly households and relax the PRH eligibility criteria for the elderly in general. The subject was also discussed at the meeting between LegCo Members and the Tsuen Wan District Council on 6 January 2005 and various proposals on how assistance to the elderly could be improved through adjusting the public housing policy were referred to the Panel for necessary follow-up. The referral and the relevant extracts of minutes were circulated to Panel members vide LC Paper No. CB(1) 996/04-05 on 25 February 2005.
